PROFESSIONAL SUMMARY

Forward-thinking Academic Executive with over 15 years of experience leading mid-sized higher education institutions. Proven track record in securing £50M plus in research grants and increasing student retention by 22 per cent through curriculum innovation. Expert in navigating complex UK regulatory frameworks and building high-performing faculty teams committed to student outcomes.

WORK EXPERIENCE

Vice-Chancellor | University of Central Lancashire | Preston, UK

Jun 2018 - Present

- Spearheaded a £120M capital development project that exceeded its target by 15 per cent within three years.
- Reorganised the university administrative structure to reduce overhead costs by £4.5M annually.
- Launched four new degree programmes in high-demand STEM fields, increasing student recruitment by 25 per cent.
- Managed a diverse workforce of 450 faculty and professional service staff during a complete campus renovation.
- Maintained 100 per cent compliance with all Office for Students (OfS) reporting requirements and safety protocols.

Principal / Head of Institution | Manchester City Institute of Technology | Manchester, UK

Aug 2012 - May 2018

- Negotiated 12 new partnerships with local FTSE 100 companies to provide student industrial placements.
- Improved student retention rates from 68 per cent to 84 per cent through the implementation of a peer-led wellbeing programme.
- Directed a £35M facility expansion project including the construction of a new state-of-the-art engineering laboratory.
- Overhauled the healthcare curriculum to align with updated professional standards resulting in a 95 per cent employment rate for graduates.

Dean of Academic Affairs | University of Glasgow | Glasgow, Scotland

Sept 2007 - Jul 2012

- Coordinated the successful Research Excellence Framework (REF) submission for the faculty, improving rankings by 20 per cent.
- Managed a departmental budget of £12M while consistently staying 5 per cent under projected spend.
- Developed and implemented faculty development workshops that increased research publication output in high-impact journals.
- Led a task force to integrate blended learning models which expanded international student reach by 35 per cent.
