## PROFESSIONAL SUMMARY

---

Strategic Import Export Manager with 12 years of experience in the global meat industry. Expert in USDA/FSIS regulations and international food safety standards. Proven record of reducing customs delays by 30% and managing \$150M in annual trade volume through optimized supply chain protocols.

## WORK EXPERIENCE

---

### **Senior Import Export Manager | Midwest Meat Processors Inc. | Chicago, IL**

May 2018 - Present

- Spearheaded the global distribution strategy for a \$400M meat processing division serving 25 countries.
- Reduced average customs clearance time from 72 to 24 hours by implementing an automated documentation portal.
- Negotiated yearly freight contracts with major carriers, saving the organization \$1.2M in annual logistics spend.
- Managed a team of 15 logistics coordinators and compliance specialists across three regional hubs.
- Oversaw 100% successful completion of 12 internal and external USDA regulatory audits without major findings.

### **International Trade Compliance Manager | Global Agri-Trade Solutions | Kansas City, MO**

Aug 2013 - Apr 2018

- Directed all export compliance activities for poultry and pork products destined for the EU and Asian markets.
- Developed a comprehensive C-TPAT security manual that achieved Tier 3 status for the company's supply chain.
- Resolved a major trade dispute regarding Tariff-Rate Quotas in the South Korean market, recovering \$450k in duties.
- Verified all health certificates and labeling requirements to ensure compliance with diverse international standards.

### **Junior Export Coordinator | Swift Cold Logistics | Des Moines, IA**

Jun 2010 - Jul 2013

- Coordinated daily dispatch of 40+ refrigerated containers to ports in Seattle and Savannah.
- Reduced demurrage and detention fees by 22% through better carrier scheduling and terminal monitoring.
- Prepared complex documentation including Bills of Lading, Certificates of Origin, and Letters of Credit.
- Tracked real-time temperature data for high-value shipments to ensure zero-loss arrival at destination.

## EDUCATION

---
